

Capability Statement

www.mpxinc.com

MPX Sales and Service, LLC leases mobile MR and CT scanners nationwide. We offer both long term and short term leases for most manufacturers. If we do not have the make and model you need when you need it, MPX can try and find it for you. With over 25 years of experience in this area we have developed resources throughout the US for access to a multitude of mobile medical equipment.

CORE COMPETENCIES

MPX provides most makes and models of MR and CT scanners of the following manufacturers: GE, Philips, Toshiba and Siemens.

Our current Inventory includes:

- GE – 64 slice mobile CT Scanner
- GE – 16 slice mobile CT Scanner
- GE – 1.5 Tesla mobile MR Scanner
- Philips – 64 slice mobile CT Scanner
- Philips 16 slice mobile CT Scanner
- GE – 1.5T 8 ch. Mobile MR Scanner

If we do not have the make and model you are requesting, MPX can locate the equipment you need. We have developed working relationships with other quality mobile leasing companies throughout the US.

PAST PERFORMANCES

Many Successful Leases since 2003
